

MysteryQuest 35

Support Materials 3 (Activity Sheet)

Reaching a Conclusion

My chosen theory is that Thomson’s death was a suicide an accident murder

Summary of evidence	Possible concerns or questions about the plausibility of the evidence

The evidence to support my chosen theory is . . .

+2 highly plausible	+1 moderately plausible	0 can’t decide	-1 moderately implausible	-2 very implausible
------------------------	----------------------------	-------------------	------------------------------	------------------------

I reached this conclusion because of the . . .

amount of relevant evidence about the theory:

believability of evidence about the theory:

completeness of the evidence about the theory:
