

MysteryQuest #42: Support material (Activity Sheet 4)
Lessons in daily life letter

Dear Franklin Explorers,

On your expedition to the Arctic, you encountered the following environmental conditions...

To meet the challenge of _____ [food, clothing, transportation, shelter, other] in the Arctic in 1845 you used [resources, tools, skills]...

I can tell this from studying evidence in the following historical sources....

Name of source	What evidence it shows

Instead of what you did to meet that challenge, you could learn from Inuit to use [resources, tools, skills]...

If you learned this it would help you meet the challenge better because:

It overcomes the challenge of...

It works better in the Arctic because...

It gives a clear advantage such as....

And I also want to mention...

Sincerely,

[Your Name]
