MysteryQuest #44: Support material (Assessment Rubric) Assessing the evidence and the rankings

Use the following rubric to assess students' identification of evidence from selected sources and their ratings of the strength of the reasons.

	Outstanding	Very good	Competent	Satisfactory	In progress
Identifies evidence from the selected sources	Identifies many relevant details, including the most important information.	Identifies the most important details.	Identifies some relevant details, but important ones are omitted.	Identifies some relevant details, but the most important information is missing.	Identifies no relevant details in the selected sources.
Offers plausible ratings	The ratings are highly plausible and highly justifiable in light of the evidence.	The ratings are clearly plausible and justifiable in light of the evidence.	The ratings are plausible and somewhat justifiable in light of the evidence	The ratings are plausible but are barely justifiable, given the evidence.	The ratings are implausible and not justifiable, given the evidence.
